Applicant acknowledgment
I certify the information is accurate to the best of my knowledge. I authorize review of the records I voluntarily submit for admission and prior-training assessment. I understand this is an application, not a tuition contract, job offer, funding award or official apprentice registration. I will receive my assigned cohort, admission conditions, fees and refund terms before enrollment/payment. Employer confirmation and approved sponsor registration are separate from academy admission. Any job-specific screening requires separate authorization. I may request an accessible interview or discuss missing records with admissions.
